### **‘Good manners make us shine everywhere. Parents’ blessings take the children to great heights.’**

During the summer vacation, parents are requested to guide and encourage their children to do given activities daily. This will help in developing good habits and disciplined life.

1. Parents must encourage your children to help you in household chores like folding their clothes, arranging bookshelves & clothes wardrobe, dusting etc.

2. Cleanliness is the need of body. That’s why children should bath daily, brush teeth twice, cut hair and nails on time.

3. Maintaining physical health is also important. So take children daily for morning, evening walk. Ask them to do some yoga or physical exercise. Take healthy diet. Also drink plenty of water.

4. Parents should motivate children to help and respect elders. Greet them by touching feet or wishing good morning, good afternoon etc.

5. Parents should guide the child to use some powerful words during conversation like please, thank you, excuse me, sorry etc. It will enhance their personality.

6. Parents should inspire children to stay close to nature. Let them to do work of planting saplings at home, watering plants and cleaning the garden.

Note: All the above activities should be practiced regularly during the vacation and observed by parents.
